# Instructions for CIAC Archives (Beginning 4/1/16)

1. To access the CIAC list-serve archives, you must have a Gmail account. If you have a Gmail account and have not sent your email address to Kara Maas, email her this information at kmmaas@csuchico.edu. This Gmail account can be set up to view archives only (no emails will appear in the inbox). Go to this URL: https://gmail.com and log into your Gmail account.

2. Select Google Groups:

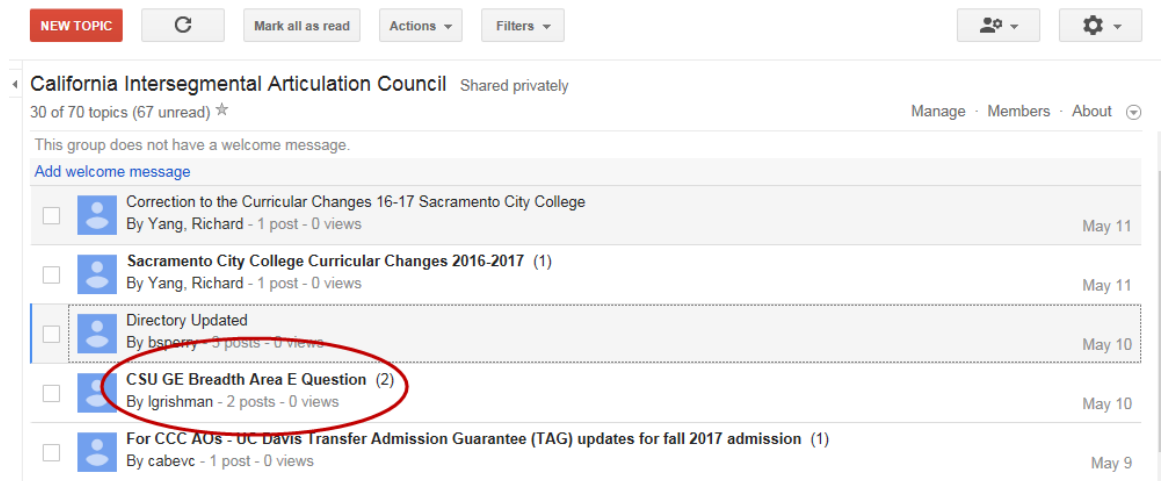

3. Click on "My Groups."

4. Click on "California Intersegmental Articulation Council."

5. A list of topics will appear. You may search for a topic using the search field. Some titled topics are followed by a number in parenthesis. This number indicates the number of emails within this topic.

Example 1: An email was sent to the list-serve with a subject title: "CSU GE Breadth Area E Question" followed by "(2)." If you click on this subject, the emails related to this subject will appear.

This subject has 2 posts by 2 different authors.

☆ Colleagues: I am aware that a student who has a DD 214 form can receive credit for Area E.

A faculty counselor came to me and indicated that he has a student on active duty that lists basic military training on a SMART transcript.

Can we use this credit to apply to Area E? Thanks....Lee

Hi Lee,

CSU Executive Order 1036 makes reference to the SMART transcript, Item 3.4.1, as acceptable documentation for military credit.

http://www.calstate.edu/eo/eo-1036.html

Example 2: When the directory updates are emailed to the list-serve, the same subject is used "Directory Updated."
